## MINUTES OF THE ANNUAL MEETING OF GOVERNORS.

---

The Annual General Meeting of Governors was held at the County Infirmary on February 25th, 1929.

Present: Mr. David Davies, M.P. (President), in the chair; Mr. W. P. Phillips and Mr. Wm. Watkins, Vice-presidents, and the following Governors: Mrs. J. F. Clarke, Mrs. R. M. Kinsey, Miss K. M. Lewis, Dr. Alfred Shearer, Dr. J. Fitzgerald Clark, Rev. D. B. Edmunds, Rev. J. Knighton Jones, Messrs A. J. Bibb, H. E. Breese, D. Bunford, W. D. Crofts, J. T. C. Gittins, A. I. Guest, H. W. James, C. Leggatt, G. L. Morgan, S. Morgan, P. Phillips, W. E. Pryce-Jones, and J. O. Roberts, with Miss E. M. Lumley (Matron), and Mr. Ernest C. Morgan (Secretary).

The Minutes of the last Annual Meeting were confirmed.

Apologies for absence were received from Mrs. David Davies, Mrs. Edward Powell, Mrs. Hugh Lewis, Mr. C. W. Norton, Dr. R. Owen Morris, Mr. J. B. Willans, and Mr. J. Lascelles.

The Statement of Accounts for the year 1928 and the Report of the Board of Management were presented and adopted.

A vote of thanks was accorded the Board of Management for their services.

The Report of the Trustees was read.

The Board of Management presented a Special Report, stating that to cover any possible deficit that may arise in the early years from the maintenance of the proposed Maternity Wards beyond the proportion obtainable from the Ministry of Health, a Guarantee Fund had been established for a period of five years, the annual amount of which the Board considered sufficient for the purpose. The Board therefore recommended that the erection of the Maternity Wards should be proceeded with, it being anticipated that the cost of building and equipment would be covered by the amount available from the Montgomeryshire Hospitals' Appeal.—The Report was adopted and sanction given to the Board to proceed with the work.

Resolved: That Mr. David Davies be re-elected President, with the thanks of the Governors.

Resolved: That Mr. C. W. Norton be thanked for his services as Hon. Treasurer, and informed of the regret of the Governors that he was retiring from the position.

Resolved: That Sir H. Harmood Banner, Bart., be elected Hon. Treasurer.

Resolved: That Mr. A. T. Benbow be re-elected Auditor, with the thanks of the Governors.

Resolved: That the members of the Hon. Medical Staff be re-elected, with the thanks of the Governors.

The members of the Board of Management were elected for the ensuing year.

The Secretary announced that the proceeds from the Whist Championship Competition for the season 1928-29 amounted to £375 1s. 3d.

A vote of thanks was accorded the President for his attendance and conduct of the meeting.

## SIXTY-FIRST REPORT OF THE BOARD OF MANAGEMENT.

---

In submitting the Sixty-first Annual Report of the transactions of the Montgomery County Infirmary, the Board of Management have pleasure in congratulating the Governors upon the most satisfactory working of the Institution during the year 1928. The gratitude of the patients, in many instances freely expressed, the ready response in raising voluntary income, and the knowledge that much pain and suffering have been alleviated, have rendered the work undertaken by the Board of Management a gratifying duty. Since the Infirmary was established, 7,378 In-patients and 17,809 Out-patients have entered its doors, which have been open to sufferers from all parts of Montgomeryshire and even from adjoining counties.

IN-PATIENTS.—In-patients admitted during the year 1928 numbered 346, or seven less than in the previous year. The admissions included 32 accident cases, of which 20 were Road casualties. In connection with the latter, the County Infirmary, in common with other Hospitals, has experienced a heavy drain upon its funds by the treatment of motorists who have not taken the precaution of covering themselves by insurance and who are not in a position to make any recompense for the cost of their maintenance. Including 151 children who were operated upon for the removal of tonsils and adenoids, 216 In-patients were surgically operated upon during the year. It is satisfactory to note that the average stay of each in-patient was reduced to 21 days, from 24.5 days in the previous year, and consequently the average number of patients resident daily was 21 as against 26 in 1927. The average total cost of each in-patient was correspondingly reduced, being £6 10s. 10½d., as against £7 1s. 10d. in the previous year. The expenses

of up-keep of the institution being shared by a less number of patients resident daily, caused the average cost of each in-patient per week to rise from £1 17s. 1½d. to £2 3s. 4d.

OUT-PATIENTS.—The number of new Out-patient cases admitted was 595, as against the somewhat abnormal record of 661 in the previous year, and they made 3,343 attendances as against 3,651. The Out-patient cases consisted of 75 Surgical and Medical, 35 Electrical Massage, 79 X-Ray, and 406 Eye, Ear and Throat cases.

The average total cost of each Out-patient was £1 0s. 8½d., as against 19s. 3d. in 1927, and the average cost of each out-patient attendance was 3s. 8d. as against 3s. 6d.

FUNDS.—It is with extreme satisfaction that the Board are able to announce that the total ordinary income for the year, which has amounted to £2,971 6s. 4d., has exceeded the total ordinary expenditure by £58 18s. 0d. The deficit remaining from previous years on the Revenue Account of the Institution has thus been reduced to £82 19s. 2d., although the Board viewed with considerable concern during the year the inevitable loss in several sources of income.

A decrease of £44 in the amount received from Annual Subscribers warrants the Board in appealing for additional aid in this direction. Donations amounting to £79 12s. 0d., included a welcome contribution of £41 per the British Charities Association.

Box Collections and Workers' Contributions totalled £197 1s. 5d., or within £20 of the previous year. Included in this sum were contributions of £87 9s. 10d. from the employees of the Great Western Railway supplemented by the Company, £30 from the employees of Messrs. Pryce

Jones, Ltd., and £27 from the employees of Messrs. Jones, Evans and Co., Ltd.

Congregational Collections amounted to £145 17s. 4d., practically the same as in the previous year, but as this sum included £21 2s. 1d. from the service held in connection with the Diamond Jubilee of the County Infirmary, there has been a falling off in the contributions from Places of Worship generally.

Of recent years the main source of voluntary income has been derived from Entertainments and Sports, and, while it could not be anticipated that the exceptional total of £837 2s. 0d. which resulted in 1927 would be reached, the Board are grateful for the help afforded to the extent of £624 2s. 10d. The promoters of the following events are deserving of the best thanks of the Governors:—County Infirmary Whist Championship, £367 11s. 7d; Infirmary Ball, £120 2s. 10d; Cardiff City Football Match, £50 2s. 6d; Infirmary Football Challenge Cup Competition, £23 3s. 9d; Newtown Golf Club Fête, £21 6s. 11d; Organ Recital at Newtown Parish Church, £17 11s. 10d.; Infirmary Bowling Cup Competition, £17 2s. 5d; Children's Carnival Ball (per Miss Esmé Grice), £7 1s. 0d.

In connection with the Receipts on account of services rendered by the Institution, it is gratifying to notice that there has been an increase of over £170 in the amount received direct from Patients, showing a growing readiness on their part to contribute towards their maintenance when their circumstances permit.

EXTRAORDINARY INCOME.—Outside the ordinary income of the Institution Special Donations were received amounting to £232 10s. 0d. These included gifts from Mrs. Geo. Thomas, Gorphwysfa, £52 10s; Mrs. Purchas, Aberdovey, £50; Mr. Arthur Davies, Coventry, £50; and Newtown

Stall Committee of the Montgomeryshire Hospitals Fête, £50; all of which were applied to the Endowment Fund; and gifts of £20 and £10 respectively from the Kerry and Sarn Stall Committee and the Caersws Stall Committee of the Montgomeryshire Hospitals Fête, which at their own request were applied to the Maternity Wards Fund.

ENDOWMENT FUND.—The total of the Endowment Fund now stands at £7,860.

MATERNITY WARDS.—The Board have given serious consideration to the question of providing Maternity Wards, and referred the preparation of a scheme to a Sub-Committee. The Board are in a position to submit their recommendations to the Governors for their approval.

RATING.—The Assessment of the Hospital premises under the Rating and Valuation Act, 1925, has been increased to an amount more than double the old assessment, against which the Board have appealed. The Board desire to acknowledge the liberal way in which they have been met by the Newtown and Llanllwchaiarn Urban District Council in the matter of water charges.

HON. TREASURER.—The Board have received with regret intimation from Mr. Clement W. Norton that he cannot continue as Hon. Treasurer of the Institution, a position he has held for the past seven years. They desire to accord to him their best thanks for his faithful and valuable services.

THANKS.—To the numerous donors of gifts in kind for the benefit and comfort of the patients, to all who have rendered assistance financially or by personal effort, to the members of the Honorary Medical Staff, and to the Matron

and Nurses, the Board desire to extend their sincerest thanks for the help afforded in carrying on the work of this important Institution.

On behalf of the Board of Management,

A. J. BIBB, Chairman.

J. FITZGERALD CLARKE,  
Vice-Chairman.

CLIFFORD LEGGATT, Chairman of  
the Finance Committee.

WM. WATKINS, Chairman of the  
House Committee.
